

91A REQUEST SAMPLE #1
Traditional

11/14/23

Good morning,

My name is Hunter Oberst. I am a reporter with The Keene Sentinel. There was a City Council meeting held on March 2, 2023, during which City Councilors voted to send the downtown infrastructure project through a series of city council workshops. This matter was subject to heavy debate, as several councilors at the time felt the project should go to the Municipal Services, Facilities and Infrastructure Committee first, before being brought to the full council.

As you will see below, I would like access to any email correspondence involving members of the City Council at the time and City Manager Elizabeth Dragon from March 2 to March 4. The reason for my request is that I expect that after the meeting, there may have been communications sent back and forth that would have mentioned the downtown infrastructure project, especially after the debate that occurred.

Pursuant to the Right to Know Law (RSA. 91-A), I am requesting public access, within 5 business days, to the records reasonably described as follows:

- All emails sent between City Manager Elizabeth Dragon and members of the Keene City Council from March 2 to March 4.
 - Please note that the members of the Keene City Council at the time were: Kris Roberts, Raleigh Ormerod, Mitchell Greenwald, Robert Williams, Bryan Lake, Andrew Madison, Gladys Johnsen, Catherine Workman, Philip Jones, Thomas Powers, Randy Filiault, Bettina Chadbourne, Kate Bosley, Michael Remy and Michael Giacomo.
- I am also requesting access to emails during the specified timeframe for which Ms. Dragon or a member of the city council would have carbon copied (cc) the other to that correspondence. See the brief examples I include below for further reference.
 - ie: A city councilor sent an email to a city employee and also cc'd Ms. Dragon. Or, Ms. Dragon sent an email to a city employee and cc'd a member of the city council to that email.

Per RSA 91-A:4 IV(c) If you deny any portion of this request, please cite the specific exemption used to justify the denial to make each record, or part thereof, available for inspection along with a brief explanation of how the exemption applies to the information withheld.

Please email copies of any available records to me at hoberst@keenesentinel.com or let me know where I might view them.

Thank you,

Hello Chris,

Pursuant to RSA 91-a, I am requesting access to an email you sent dated Nov. 16 of this year, in which you say you're responding to "the baseless complaint to the Department of the Treasury signed by Keene Fire Chief Farquhar."

REQUEST SAMPLE #3
Non-91A

Hello Maureen,

This is Hunter Oberst, a reporter with The Keene Sentinel. I was recently sent tax records for a trio of properties in Dublin which have accrued more than \$70,000 in back taxes. I wanted to confirm with you that these documents are accurate. I was also told that these properties are owned by Chris Raymond. Can you confirm that as well?

Thanks,

Hunter Oberst
